PETS LOVE THE FEEL OF PROTECT-ALL® FLOORING

Comfortable and clean.

Impact and puncture-resistant.

Waterproof and slip-resistant.

Animal care providers are choosing PROTECT-ALL for their facilities because it helps keep their four-legged clients safe and comfortable.

PROTECT-ALL looks great and helps create a soothing atmosphere by absorbing loud sounds commonly found in animal care facilities. In fact, PROTECT-ALL is 60% quieter than concrete floors.

PROTECT-ALL is:

- Easy to maintain.
- Stain and odor-resistant, helping preserve a clean and sanitary environment.
- ¼" thick and offers 641 lbs./in. of impact and puncture resistance.
- Made from 100% recycled vinyl and can help your facility obtain LEED® credits.

PROTECT-ALL can be installed in:

- Pet kennels, day care facilities, and playrooms.
- Dog runs.
- Grooming areas.
- Entryways, exam, surgical, and recovery rooms.

PROTECT-ALL is the smart animal care flooring solution.

As founder and owner of Club Bow-Wow, I wanted the best flooring material for our state-of-the-art facility, but at a reasonable price. PROTECT-ALL provided our facility with an environmentally-friendly, yet attractive flooring solution. More importantly, it protects the pads and joints of our dogs and it is non-slippery even when wet. PROTECT-ALL has helped maintain our theme as a premium doggie day care and state-of-the-art club.

Sincerely,
 Renee Branter
 Owner and General Manager
